## DEMAND FORECASTING FOR MANAGERS (PAPERBACK)

To download **Demand Forecasting for Managers (Paperback)** eBook, remember to follow the web link below and download the file or gain access to other information which are have conjunction with DEMAND FORECASTING FOR MANAGERS (PAPERBACK) ebook.

Business Expert Press, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Most decisions and plans in a firm require a forecast. Not matching supply with demand can make or break any business, and that's why forecasting is so invaluable. Forecasting can appear as a frightening topic with many arcane equations to master. For this reason, the authors start out from the very basics and provide a non-technical overview of common forecasting techniques as well as organizational aspects of creating a robust forecasting process. The book also discusses how to measure forecast accuracy to hold people accountable and guide continuous improvement. This book does not require prior knowledge of higher mathematics, statistics, or operations research. It is designed to serve as a first introduction to the non-expert, such as a manager overseeing a forecasting group, or an MBA student who needs to be familiar with the broad outlines of forecasting without specializing in it.
